At the regularly scheduled meeting of Squadron 71 Sons of The American Legion in Lake Wales, Florida held on December 21, 2017, at 6:00 pm, John Jennings was unanimously endorsed by the General Membership for the high office of National Executive Committeeman for the upcoming year of 2018-2019.

John has been a member of Squadron 71 for 25 continuous years. He was chosen S.A.L. Member of the Year in 2000. He has served the Squadron in numerous capacities including 1st Vice Commander, four consecutive years as Commander and two years as 7th District Commander (2004 - 2006), achieving all-time highs in membership every year as a testament to his outstanding service. He has also served as Central Area Commander, Detachment of Florida Commander for two terms 2007-08 & 2008-09, and National Executive Committeeman 2009 - 2011 and 2013 - 2017, 2012 National Vice Commander South and Squadron 72 Adjutant, Adjutant for Squadron 71 2015 – 2017.

John's record of performance is not restricted to Squadron 71. He actively supports The American Legion and The American Legion Auxiliary to the fullest extent, and ensures the Squadron does the same. His performance as the Detachment Commander in state, local, civic and community affairs reflects great credibility.

John's record of performance has greatly enhanced the ability of The Detachment of Florida to execute their duties and responsibilities, which has facilitated The American Legion and The American Legion Auxiliary operations. In totality, he has been and continues to be an asset to the entire American Legion umbrella.

John Jennings personifies the very ideas on which our organization was founded. We certainly consider it a distinct honor and do so with a great deal of pride in offering endorsement of John Jennings for the high office of National Executive Committeeman for The Sons of The American Legion Detachment of Florida for 2018-2019.

In Legion Honor,

Terry Dohring
