MAKING ALL SOLDIERS HEROES
MAKING AMAZING STUFF HAPPEN

WELL HELLO EVERYONE. I hope you all and your families are doing well. By the time you all read this we will be at our 90% target date. I am very pleased to say we made it with 90.87%. Way to go guys. We need 1,746 more members to tie last year and 2,623 more to hit our membership goal of 20,000. Convention is just around the corner so push for your renewals. April 1st. was the last renewal card mailing from National. So now it's up to your Squadrons to go after those lagging on renewing. May 9th. Is our 100% target. Let's shoot to make it and go to Convention not worrying about it, and having a good time.

Started March out with the Eastern Area Ball on the 2nd. It was a very well put together and well attended event. I want to thank Post 117 Palm Bay and the Eastern Area for a great time and wonderful evening. My personal apologies to 275 for missing their golf tournament that same day.

March 9th. We went to the state oratorical contest at headquarters in Orlando. If you have never been to the state level of this competition you are missing a very special and moving experience. These young kids are amazing and very well educated. Next year please go to your District, Area, and State competition if you can. You won't be disappointed.

March 16th. We were off to Port Charlotte Post 110 for the Southwestern Area Ball. Would like to thank Gambler, DVC Rapp, PDC Gordon, and DAA Leventhal for their great hospitality. Everyone seemed to have a very good time and enjoyed themselves.

March 17th. I attended the 13th District meeting at Post 110. They had a great turnout and a very informative meeting. It was well organized and they donated a lot of money to some very special causes. There might have been a discussion on something about a dunk tank, but I'll get in to that at a later date.

March 30th. My wife and I attended the Stand Down at Bay Pines V.A. Hospital. They are always a very special and heart warming experience. If one is coming in your Area please go and volunteer to help, it will be something you'll never forget. Remember were members of this Organization that honors and supports Veterans, so let's prove it.

The Squadrons and Districts elections are coming up. If you have thought of running for an Office, but weren't sure, Go For It. You will never know until you try. The Detachment Officers are here to help you. If you have a question about running for an office, please call or drop an email to one of us. Always remember if you want a Detachment Officer at a meeting or function please ask. That's what you put us in office for. Until next time.

Thank you for all you do and what you do.

For God and Country,
Tom Klinger, Detachment Commander

It's hard to imagine that this administrative year is almost gone. In just three short months, we will meet in Orlando for our 47th Annual Detachment Convention. Between now and then, it is the busiest time of the year within the Detachment. We elect new Squadron Officers, hold our District Constitutional Conferences and elect new District Officers. In electing Officers, whether it is a Squadron Office, District Office, or Detachment Office, we must elect the most qualified members to these positions. The selections made will lead us for the coming year and send us down the path for years to come. Without strong Leadership we will not continue our successes. In addition to elections, we begin the close out of our projects for the year. This includes, but not limited to, The Child Welfare Foundation, Project Vet Relief, and Special Olympics.

The Year-End reports were scheduled to be mailed on April 8th to the Squadron Adjutants. Also included in this mailing was the National Consolidated Squadron Report or NCSR for short. All forms must be completed and sent back to me, unless otherwise noted on the form(s). The Detachments Year End Reports are used to determine several Detachment Awards. By not completing them, you eliminate your Squadrons chance of winning the Awards. Also, by not completing the forms, it takes away from our time and monetary contributions that we report to National Headquarters. There is so much GREAT WORK being accomplished by all of you. Let's make sure it counts by submitting the required report forms. The NCSR is required by National Headquarters. This is the only report form that will be accepted by the National Organization. Again, by not completing the NCSR, it eliminates your Squadron from any National Awards. Please make sure to submit each report. Please remember that even if your Squadron had "NO ACTIVITY" last year you must return the reports with NO ACTIVITY written on them. There is a change of address to submit reports to me so please make sure that you send them to the right address. The new address to send me reports is 2691 Mt. Pleasant Rd., Quincy, FL 32352-6325

If you have not yet made your reservations for the upcoming Detachment Convention in June, please do so as soon as possible. All meetings will be at the Marriott Orlando World Center. Please take a moment to look at the attached Convention Agenda. On Friday, June 28th we will be starting our DEC meeting at 12:30pm and will have the opening session at 1:30 pm. The Committee and Commission will meet on Friday after the opening of the General session. With having the opening session on Friday, this will allow us to have all of our members attend the Committee meetings to actually participate, add value and input. We look forward to seeing you there!

By now, all District Commanders should have their meeting dates and times scheduled for their District Constitutional Conferences. We have received several of the dates and meeting times. Please forward the information as soon as possible and so they will get posted on the Detachment Website. The meeting information can be forwarded to floridasons@legionmail.org. **All District Commanders MUST hold a meeting and election of new District Officers for the coming year, PRIOR TO COMING TO CONVENTION.** We want to go into Convention with a full slate of Elected District Commanders. Please remember that you do not have to hold your Conference in conjunction with The American Legion's. Sometimes there is not enough space or time to fit all meetings into one. I would encourage that you try and hold it at the same time and place if possible. If you wish to have a representative from the Detachment at your Conference, please let us know. We have the tools and knowledge, and we are ready to pass this information on to all of our members. Until next month!!!

Jim Roberts | Detachment Adjutant

Greetings Membership Team,

As of our March 21st, 2019 membership report the Detachment was at 88.689%. We have 5 Zero ("0") Squadron's. We had 69 Squadron's at or over the 100% target, 33 Squadron's were at or over the 90% target, 7 District's and 2 Area's. District #2 is currently the only District to make the 100% Target, Great Job Commander Kent Smith. We had 82 Squadron's not at our 90% target and that is 44.57% of the Detachment total Squadron's. Congratulations to all the Squadrons and District that reached our 90% target early. Great job by you and your teams. We are 2,165 members away from our 100% number, and 3,039 members away from the Commanders goal of 20,000. We are 7 weeks away from our 100% target and 13 weeks away from the Commanders goal. Our Convention is approaching fast and will be here before you know it. Make your reservations and come join the excitement. We are have another great year. Let's get this done.

I am asking that anyone that receives our google distribution to talk to your Squadron's, your District's or Area's and get them involved. The information sent is important to them and it is for them. The link to sign up is <https://www.floridasons.org/>. This is only going to make our Detachment communications better and to make each Squadron stronger.

As you can see, we need to continue to work membership hard, as I know you will. Our 90% Target is right around the corner and it will be here before we know it. Do not take it for granted that it will take care of itself. We missed our 60% & 75% targets and were the first targets missed in 14 target dates, going back to start of last year. We do not need to miss any others. The numbers do tell the story. We need to stay in contact with the Squadron's in your District's and offer them any help they may need. We have several Squadrons that are below Squadron strength and work with them. Let's remember the three "R", Reinstate, Renew, and Recruit. Let them know what our goals and targets are and ask them if they need our help. We are here for them.

I will continue to send our weekly membership reports to not only our Detachment Goggle distribution group, but I have included all the American Legion Post Commanders and Adjutants that are on the Departments distribution list. I am asking for the help of the Post Commanders and Adjutants to stay in touch with their Squadrons and give them help when and where possible.

90% Target – April 4th, 2019 – WE HIT IT!!

Respectfully,

John Jennings, Membership Chairman

Sons of The American Legion Detachment of Florida

February 1, 2019

Members of the Florida Sons of The American Legion,

The Sons of The American Legion Detachment of Florida is searching for a few good men.

Both Tim Bell and Ray Leventhal have announced that they will not be seeking reappointment as Detachment Assistant Adjutants and will be resigning effective at the close of this next Detachment Convention. Both Tim and Ray have served this Detachment professionally, with honor, integrity and dignity and I am sad to see them go. While we wish them both the very best, we must begin the process of searching for their replacements.

The Detachment Assistant Adjutants have many responsibilities in supporting the Detachment Adjutant and the Detachment of Florida. Much of the work done by these gentlemen usually go on behind the scenes and are only really out-front during meetings. The Detachment Adjutant along with the Assistant Adjutants are charged with the effective administration of the Detachment. This includes compiling reports each year, working with the Detachment Commander and the Executive Committee to conduct business between meetings of the Detachment, management of convention registration, putting together the Detachment Newsletter, handling the correspondence for the Detachment and other administrative duties as required.

Please understand that this position is an appointed position subject to the approval of the Detachment Executive Committee. However, there is a process of selection that will occur by committee to receive documentation, conduct interviews and present a candidate or candidates to the Detachment Commander and the Detachment Executive Committee for approval and appointment.

The ideal candidate should be willing to serve in an administrative position within the Detachment. These positions are considered staff positions, which means that the Adjutant Team remain above board in matters pertaining to organization. The Assistant Adjutants are not members of the Executive Committee and they do not carry a vote.

Because the Assistant Adjutants position can be a multi-year appointment, it is important that a candidate not be seeking a higher office within the Detachment of Florida. Seeking a higher office could take away from the responsibilities of the incumbent and cause the Detachment to search for another person to fill a vacancy.

In order to be considered for this position the member must be a member of the Sons of The American Legion, in good standing and be a member of a Squadron within the Detachment of Florida. The Detachment is seeking an individual with good, administrative, leadership, and customer service skills. The member should also be proficient with the use of Microsoft Office Products (Word, Excel, PowerPoint etc.) Additionally, the candidate must be flexible as things change often and must be quick to adapt.

If this sounds like something that you would be interested in doing, we would like to hear from you. Please submit your resume to detaaresume@legionmail.org no later than 11:59pm on May 1, 2019 for committee consideration.

Honoring Those Who Served and Those Who Serve,

James K. Roberts III, Detachment Adjutant

Report on the Washington Conference

The past several months have been packed with exciting events that The Sons of The American Legion Detachment of Florida Legislative Commission actively participated in with our SAL National Organization, TAL National Organization and TAL Department of Florida.

Our Detachment of Florida once again went to Washington, DC for The American Legion Washington Conference Legislative Week February 22th through the 28th. On Sunday the 24th our SAL National Legislative Commission organizes a bus trip to escort our National Commander Greg (Doc) Gibbs around the Washington Area to memorialize the National Monuments. This year's selected stops were The Tomb of The Unknown Soldiers, The Marine Corp Memorial both in Arlington, Va. and our final stop was at The Vietnam Memorial Wall on the Washington Mall. The Detachment of Florida was proud to present your wreath at the Vietnam Wall to pay respect and memorialize our many veterans from the Vietnam Conflict. The weather was cold and rainy but the enthusiasm shown by the 110 American Legion Family Members from 23 states around the country shone brightly through on this day of remembrance for our Veterans.

The next day the 25th at 9AM The American Legion Legislative Commission meets in the Washington Hilton. The Commission rolls out our National Legislative Agenda, Congressional Legislative Staffers discuss specifics on Legislation, followed by a Q & A session. Later that day The Washington Headquarters Staff puts on a Fireside Chat which featured members of the House of Representatives and Senators from the Veterans Affairs Committees. Their insight into legislative veteran affairs was invaluable when speaking to our legislators the next day.

The 26th next morning at 8 AM we meet for the National Commander's Call meeting before we #storm the hill. We with our Legislative Agenda in hand, Jim Bowers TAL FL Post 402 Commander, Barbara Reyna Unit 137 President and myself visited my appointments with Congressman Gaetz (FL-1) we met with Legislative Assistant Holland. Next we visited Congressman Dunn (FL-2) Doctor Dunn who is also a physician sent his Military Legislative Aide Veatch to meet with us. Ms Veatch was extremely versed on our issues. Just before we left, Congressman Dunn finished his phone call and greeted us on his way to his committee meeting and thanked us for our visit. Last but hardly least Congressman Rutherford (FL-5) met us personally and ushered us into his office for a late 6 PM meeting. We were able to spend over a ½ hour highlighting TAL Agenda. Redefining Wartime Service, Suicide Prevention, Fully Funded a Superior National Defense, Improved Health Care for Woman, Blue Water Agent Orange Benefits, Ending Veteran Homelessness, Re-employment Rights for Veterans, Citizenship for Honorable Veterans, Support of Gold Star Families, and Protection of the American Flag. He posed for a photo with us and we thanked him for taking the time to listen to our concerns.

The last day for us at Washington Conference was the 27th and the most impressive was our honor of being present for National Commander Brett Reistad testimony before the Joint House and Senate Veteran Affairs Committee in the Dirksen Senate Office Building.

Now we would like to request all Sons of The American Legion to contact your Congressman and Senators. HOW? Contact legion.org/legislative Click On, Legislative Action Center, enter your zip code, and up comes the photos of your Congressman, Senators Rubio and Scott and President Trump. Click on email and sent a message of your own or use one of the pre written letters. Please contact your Legislator and consider joining our Detachment Legislative Commission we are always looking for active members for our Commission.

Next month the March on Tallahassee.
