### DETACHMENT COMMANDER

DETCOMMANDER@LEGIONMAIL.ORG

Greeting from your Detachment Commander,

Let me start with Happy New Year. I hope everyone had a blessed Christmas and a Safe New Year's Eve.

### Now let's talk business.

We are 6 months away from the end of our service year and membership needs work and fast. There are still **ZEROS** on the score board - this is unacceptable. *Squadron commanders:* How can this be? The membership and the programs of your Squadron are on your shoulders. You are the Leaders and with you lies the success or failure of your Squadrons. These zeros are bringing down the percentage of each district as well as the Detachment as a whole. Florida stands at an all-time low nationally in 22nd place and this is unacceptable. We pride ourselves to be the best and have always been the model Detachment for others to follow, let us not change that. Understand this, if your membership is not up to date you lose out on all the benefit it comes with. You cannot ask for assistance, visit another Post or participate any Legion function without it.

### PAY YOUR DUES TODAY!!!!!!

District Commanders, Detachment Vice Commanders it is time to suit up, strap on that helmet and get in the game. The second half has started, and we are down by a few touchdowns. There is no time for excuses anymore. Whether it's COVID, the myLegion.org, the holidays and whatever else came up, 6 months ago, you stood before the Detachment and took an oath. You were charged to oversee and advise your respected districts and help them in anyway possible. This includes member-

ship. I am not asking, I am telling you to get to these ZERO Squadrons and find out why. Ask what you can do to help. Talk to the Legion Commander and ask what they have to say.

*Does the Squadron help the post? Is the Squadron active?*

Huddle up, come up with a good play and put some numbers on the board and take us to our 27th all-time high.

*How many of you have had District meetings? What is the turnout like?*

Figure out how to get your district to come and participate. Have a game plan and put it in motion. Mentor the next leaders of this Detachment, District, or Squadron. Help them understand the purpose of each office and keep the membership informed.

As of January 1st, MYLegion.org is accepting membership on-line. *Squadrons*: you MUST have your SDR turned in to National before this will benefit you. If this report is not turned in and a member pays their dues on-line your Squadron will not receive any monies. They will charge the member \$11.00, the national and Detachment per capita together and that's it. You will have to run down that member to receive the rest.

Going forward, gentlemen, this is our future and it is here to stay. So you need to get your Squadrons on board now and stop playing catch up. As I have said before if your Squadron does not have a computer ask the Legion or Auxiliary, or even another Squadron if you can use theirs, until such time as you can purchase one. *Now let's get out on that field and help Florida Score for Veterans by tackling their needs.*

In these first 6 months I have tried to travel where I could as time would allow. Work has changed now and then preventing me from doing more. I hope to get out to more districts soon. As I have said in the past if there is anything you would like me to attend, or if there is anything I can help with, please email me the details so I can arrange my calendar accordingly.

I would like to thank the Department Commander Jerry Brandt for having me travel through the 5th district with him. I want to thank all the Posts for their hospitality and a huge thank you to the Post 283 family for a delicious meal at the Commander's dinner in December.

I was fortunate to have attended my local Wreaths Across America event on December 18th. On that Friday we met the truck to off-load the wreaths and distribute them throughout the cemetery to prepare for the Saturday event. We went over final details in preparation for a beautiful day to Remember, Honor and Teach. On Saturday over 300 people showed up to lay 2,000 wreaths to remember our fallen.

Area balls and homecomings are fast approaching, and I am planning to attend all that I can. My Homecoming will take place at my home Post (120, Holly Hill) on April 30th. More information is in the flier that appears in the EVENTS section of this edition of *The Source*.

Now that the New Year is here, I am asking to switch sides and let us start working on our other project: *Fisher House*. This great organization has been helping and serving Veteran families to remain close in times of need and we can be a part of that by donating to this worthy cause. Of course, let's not forget the other charities for our Veterans, children and youth and our communities in need as well.

Let us take a moment to remember the terrible tragedy in Kentucky. This was probably the hardest hit from the tornados in December. Here is an address if you would like to help with rebuilding the thousands of lives affected. They are in need of gift cards, and monetary donations to replenish the relief fund. This will take years to rebuild but we can do our part as a Detachment and make a difference.

**You may send your donations to:**

Our 50th Convention is in the works, and we are looking forward to all of you that can please attend this momentous event. This year will be like no other Convention as we Celebrate coming together and honoring the work we have all done these past 50 years. I hope you will be a part of it and look forward to seeing you there.

In closing I want to thank everyone for your dedication to our Veterans, to your Squadrons and the communities you live in. The organization is always growing and with all your help we can make a difference. Let us all remember that if we work as one team, we can move the ball down field and **SCORE FOR OUR VETERANS AND TACKLE THEIR NEEDS.**

God bless our Veterans.

Brian Carter  
Detachment Commander

Gentlemen,

By now the Holiday's are behind us and I hope that everyone had a Merry Christmas, and a safe Happy New Year. It seems that each year it goes by faster and faster.

With the start of the New Year, it brings us to that time of the year when if you haven't paid your 2022 membership dues yet, you are considered a delinquent member and should not be allowed into the Post home. For many of you that enjoy the Post Canteen this will have an impact on you. Please pay your dues today to your Squadron. It's to your benefit!!!

Speaking of membership, we currently stand at 12,945 members paid into National Headquarters. It's a long way from the 21,000 we are looking for just to reach a little over 100%. We have always been at the TOP of the National records, but this year we are lagging way behind. I know part of this has had to do with the impact of the MyLegion and MySAL. However, we cannot continue to put the blame on this. We have stated that even if you cannot get on-line, send your cards and check the old fashioned way to JoAnn at Department Headquarters and she will process and forward to National for you.

At the time of me writing this article, we still have 18 "ZERO" or GOOSE EGG Squadrons within the Detachment. This is unacceptable considering your Officer's dues should have been paid prior to their installation as a Squadron Officer. If your Squadron is holding membership you are in violation of the Detachment's Constitution and By-Laws. Your Charter can be revoked because of this. All dues must be transmitted within thirty days of payment.

Once the MyLegion site is up and running, your Squadron MUST submit a Squadron Data Report (SDR) to National Headquarters. This can be completed on-line and submitted. Why is this important to your Squadron? Once the MyLegion site is up and running a member will be able to go on-line and pay their dues. If your Squadron has not submitted the proper paperwork, the member will only be billed \$11.00 for the National and Detachment per capita. They will be able to print their card and be able to go to the Post and such. The Squadron must then go after the member for the balance of the dues. So you can see it is your BEST INTEREST to complete this form and submit today. Please [send me a copy as well](#).

Endorsements for Detachment Office are being accepted. They are also being published in *The Source* and are all on the website to read. The Endorsements must be signed by the Post or Squadron Commander and Adjutant and submitted by email, or regular mail to the Detachment Adjutant. I am sending them to our Web Master, Christian Rapp (323 Lehigh Acres) as soon as I receive them.

The 50th Anniversary Convention Committee is working hard to make sure we have a GREAT Convention in June. We are asking anyone interested in submitting a design for a Challenge Coin to submit them to John Jennings and myself. In addition if anyone has any ideas on a 50th Logo submit them as well. We hope to have all submissions by the end of January. There are some good plans in place already! This is your 50th Convention so all ideas and suggestions will be considered.

That wraps it up for this month. Remember, *The Source* is your newsletter and articles are needed to keep it going!

Regards,  
Ed Sheubrooks, Detachment Adjutant

Greetings Detachment Membership Team,

First and foremost, I want to express my thoughts and gratitude for all the prayers, calls and well wishes during my Covid-19 experience. It was and is very humbling—not only the friends acquired over the years - but the strength of prayer. Again, a huge thanks to each of you and may God Bless you all in the way only He can do. Thanks to Him, I am back. WOW!!!!!! And here we go, my first article in *The Source* since August.

We are well into our 2021-2022 membership year, and we have overcome so much. With the continuing issues with MyLegion.org for member transmittals and what we have been being told by National about when it might be operational, you guys have found a way to get things done. We still have work to do, and I know each of you understand this. As of this writing the Detachment was at 57.19%. Our 60% target date is January 12th, 2022, and I am sure we will reach that goal.

By the time this article is published, we should have received our first reports for National on the new MyLegion.org system by Squadrons. We will have to wait and see, but this is what we are being told by National.

This brings me to the Squadrons Data Report Form (SDR). You will be hearing a lot more about this as this is now NOT AN OPTION. Your Squadron MOST COMPLY! You will be hearing more on this very soon.

Remember the three “R’s” when working membership. We must continue to “Reinstate” and “Renew” our current members and “Recruit” new members. Keep up your great work!

Commander Carter and I both want this year (2021-2022) to be another record year. I am asking now that each Area, District, and Squadron get on top of your membership early. Being early just gives you a better seat in the room. So, let’s all make the commitment that Zero Squadrons and slow reporting Squadrons will not be an issue this year. You ask how? Communication, Communication, and Communication; then follow up with visitations, visitations, and visitations. We must Communicate and Visit to reach Commander Carter’s goal of 21,000+ members.

It is a requirement that each District Commander completes and forwards to our Detachment Adjutant two (2) visitation forms per year for each Squadron within your District. This does not include installations or special events. Again, that is two (2) Squadron visitation forms per Squadron per Year. NOW MANY HAVE YOU COMPLETED?

Below is some great information that needs to be communicated to every Squadron along with this article. If we are asking for them to react, they need to know what to react to. Please pass this along.

Let’s make this year even more fun as we will be having our 50th Anniversary Convention when all the great work is disclosed. The Committee has had two (2) conference calls and things are starting to take shape. A separate article will be written when we have information locked in to communicate to our membership.

In late October, the Leadership of the 12th District Family took to the road and traveled from Post to Post picking up donations from each of the Family Groups. The donations were made to Project: VetRelief.

At the Fall Conference, each of the Family Commanders & President were presented with the proceeds. In total, the donations amounted to \$5,885.00. Considering that the Ride was put together in 2 weeks, not a bad ride.

The participants were: Dennis Mallon, 12th District Legion Commander; Pete Puzzo, 12th District SAL Commander; Andy Ross, 12th District Rider Chairman; and Dianne Wood and Kim Oats, Co-Presidents 12th District Auxiliary.

Future Rides will be worked on for other Legion Charities. We suggest similar rides in all Districts.

## HAVE YOU PAID YOUR DUES?

Each member has access to many benefits including the National Emergency Fund if a natural disaster should occur. However, your dues have to be current at the National Organization for you to be eligible for this and many other benefits.

Remember, your dues also help support Squadron Programs, the Child Welfare Foundation, National Emergency Fund, Operation Comfort Warriors, Fisher House and many more.

Without your support we cannot continue to support the great programs of the American Legion Family. Please follow up with your Squadron Membership Chairman to pay your dues and ensure they are transmitted for the current year.
