### DETACHMENT COMMANDER

DETCOMMANDER@LEGIONMAIL.ORG

Here we go again, 5 months from now we will come together to celebrate all of your achievements and a mile stone 50th convention. I encourage all who can attend to do so. The team is planning a big party to honor our Detachment and those who made it one of the best in the country. However, we do need your help to make this a great time. If you have any pictures, programs, or memorabilia from past conventions, conferences, on Past Detachment Commanders you would like to donate or lend the Detachment for this event, please copy or send them to us. We want to make this a year to remember.

Ok. I may have been a little rough last month about membership. I know all of you are doing your best to make our goals and I thank you for all the hard work. I set the bar high at 21,000 as a membership goal and I knew this going in. I just want the best for this Detachment because I know we are the best and all of you show it every year. I want you to know that this was not my intent to upset or deter you from success. Zeros are never a good thing in membership. We as a Detachment need to show our Squadrons and help them understand the life blood of this organization is based on membership. Without our membership numbers we cannot continue our mission, supporting our Veterans, their families, and our communities. Please continue to push membership while supporting and mentoring your Squadrons. The ball is in play on the other side of the 50. The end zone is in sight and we only have a little more than a quarter to play. Break out the play book, put on your helmets and let's cross the goal line to another all-time high and score big for our Veterans and our organization.

Due to a schedule change with my job I have not been able to travel as much as I want to at this time. Also I am just not seeing a lot of chatter on the web page or this

newsletter of the happenings in Districts and Squadrons. Yes some of you are using the sources given to you while others are not. There is a page set up for each district for you to use on our web page. Not just the District Commanders but also the Squadrons. Our webmaster has worked hard to create and give you these tools. Why not use them?

I will be attending all of the Area balls and the Department Commander and President's homecoming in April. So hope to see a lot of you there. Also for the first time ever I will be playing golf with Squadron 275 in March. If you're there: duck. I have never played this game, but I am sure it will be a great time for a very worthy cause, Special Olympics, and I look forward to see some of you there.

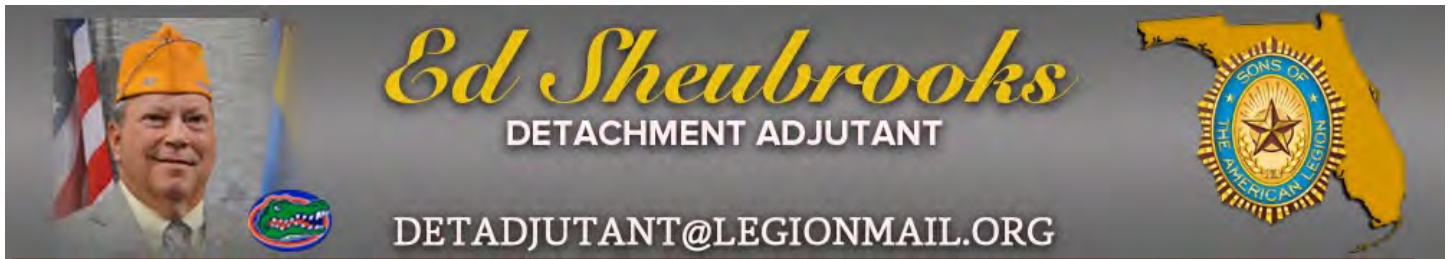

As for homecoming for the Detachment, last month it was put out we would hold it April 30th; due to a scheduling conflict with NEC and the Eastern Area ball I have had to change it. **The new date for the Detachment Commander's Homecoming will be MAY 7th @ Post 120 in Holly Hill. Please see the flyer attached in this newsletter for details.**

In closing I want to thank you all for everything you are doing and I know will continue to do. Now let's get back in the game and Score for Veterans and tackle all of their needs.

For God and Country,

Brian Carter, Detachment Commander

Team,

This year seems to be flying by us at a fast pace. We are already in February. In just 5 months we will be meeting for our 50th Anniversary Convention. The 50th Anniversary Committee is working hard to make sure we have a great Convention. We are still asking if any member would like to submit a design for the 50th Anniversary Coin. Time is running short, and I ask that all designs be submitted to me by the end of the month. "50 Years of Living up to Our Fathers Legacy"! What a milestone achievement for our Organization. More information will be forth coming on the Convention.

On Tuesday, January 25th, we had a Conference call with the Area Commanders and District Commanders. We have tasked them to contact the Squadrons that still have not submitted the required National Squadron Data Form, or SDR for short. The National Headquarters has stated that until we are at least 90% compliance with these reports, our members will not be able to go online and pay their dues. If they open the portal now, the Squadrons that have not submitted this form, when the member goes online to pay will only be charged the per-capita rate of \$11.00. Therefore it is to your Squadrons advantage to complete the form and transmit to National. Please send me a copy as well.

We are currently working on putting the Year-End packets together to mail out to the Squadrons. Yes, we are getting close to that time when we need you to submit your Year End Reports. Why are these so important? A couple of reasons....First, several Detachment Awards are geared around what you as a Squadron have accomplished this past year. Second...when all the numbers from the reports are tabulated, these figures are submitted to National Headquarters. When the National Commander goes before Congress, he reports on what our Squadrons and Posts do for our Communities and the Veterans of this great nation.

Let's move onto the subject of Membership. We are now in the 4th Quarter of the game. Our numbers are coming up, but we need to push our "PLAYERS" to score as many "POINTS" (Members) as we can. We are looking to surpass the 21,000 Goal line this year. So let's tighten our pads, and dig in for all the yardage we can get. I know you will not let Detachment Commander Brian down.

Until next month! Scoring for Veterans, By Tackling their needs!!!

Ed Sheubrooks,  
Detachment Adjutant

Greetings Detachment Membership Team,

WOW!!!! The 2021-2022 membership year is moving along very rapidly. The teams are on the fields, the fields are in great shape, the footballs have the correct air in them, the fans are ready for some football to be played, the Director of Player Personnel has been down and out but back and ready to go, the Commissioner has let us play ball, the Division Managers, Coaches, and Assistant Coaches have been working hard with their Teams to get them ready to play ball. Some Teams are ready and other Teams are having some real problems putting a squad on the field. We are at HALFTIME of the SEASON and the SCORING for the Detachment is at 62.45%. We are also at 61.70% of the Commanders goal of 21,000 by delegate cut-off.

The Detachment has made our first 5 membership scoring targets, what a great job under the condition of our lack of timely reporting. The 75% target will be here about the time this new letter is sent out and we have some work to do to get to our 75% scoring goal.

We must continue to work the 3 – R's as we "Reinstate and Renew" our current members and work to "Recruit" new members. Keep up your great work, as we all look forward to another great year in membership.

We still have ongoing issues with the MyLegion membership portal and are being told that the portal for online membership will not be operational until the Detachment has 90% of its Squadrons' having submitted their SDR forms to National.

Please continue to work with your Post Officers and get your access. Each of you that have not completed the REQUIRED Squadron Data Report form (SDR) must complete the form and send to the National mailing address or the National email address that is on the form so your information can be put into the data base. The SDR form is available on the Detachment website at [www.floridasons.org](http://www.floridasons.org) under the forms tab. When sending to National, please send our Detachment Adjutant (Ed Sheubrooks) a copy so the Detachment may have it on record as well. This gives the Detachment a check and balance when someone says "it was not received". This way, we will have something to show it was sent and when.

I am sure that you will hear a lot more about the Squadron Data Report form in the very near future.

Commander Carter as I want this year (2021-2022) to be another record year. I am asking now that each Area, District, and Squadron get on top of your membership early. Being early just gives you a better seat in the room. So, let's all make the commitment that Zero Squadrons and slow reporting Squadrons will not be an issue this year. You ask how? Communication, Communication, and Communication and follow up with visitations, visitations, and visitations. We must Communicate and Visit to reach Commander Carter's goal of 21,000+ members.

Below is some great information that needs to be communicated to every Squadron along with this article. If we are asking for them to react, they need to know what to react to. Please pass this along.

## From the Membership Chairman (continued)

*(Continued from page 4)*

You will see that the next target date is 75% and as of February 3rd, we're at 76.69% Congratulations! Looking at the dates you will also see that we have a target date each month up to our delegate cut-off date.

Let's make this year even more fun as we will be having our 50th Anniversary Convention when all the great work is disclosed.

This year, the Detachment Membership Theme is:

"Scoring for Veterans by Tackling Their Needs"

Now is the time to get your "FIELDS" in shape and make sure that all of your playbooks are updated so that we may "Tackle Veteran's Needs".

The Detachment Commander will serve as the "Commissioner". The Detachment Membership Chairman will serve as the "Director of Player Personnel". The Detachment Vice Commanders will serve as the "Division Managers". The District Commanders will serve as the "Coaches". District Vice Commanders will serve as "Assistant Coaches". And finally, the Squadrons will be the "Teams".

This year the Detachment Commander's goal for membership is 21,000 members by the delegate cut-off date of June 1st, 2022.

## From John Jennings, 50th Anniversary Convention Committee Chairman

---

Greeting Detachment of Florida,

I am sure questions are being asked about our up coming Convention. As the Chairman of the Anniversary Committee, since it is going to be our 50th, I do have some information to share.

The Committee is meeting via conference calls monthly. We have had three calls to date and have identified many things we want to do for our members and the Legion Family during our 50th Anniversary Convention.

If anyone has planned large events, they know that they do not just happen overnight, and it takes a lot of hands and thought. We have 15 people on the Committee working very hard to put together a great event for you, the members, and for the entire Legion Family.

We have selected Saturday evening (June 18th, 2022), time to be determined, more to come. We will have entertainment; we will have finger type foods along with adult beverages. We will have lot of other stuff going on.

Please pass on to your Squadrons and Posts that a sponsor letter will be forthcoming. Keep your eyes out for a flyer about the event. We need everyone to make plans to attend this event as it is a once in a lifetime event and the Committee is excited to be involved planning this event.

Please do not let rumors get started. If anyone has a question about our plans have them get in touch with John Jennings (Chairman) @ fl.johnjennings@gmail.com for clarification. We do not want people misinformed about the event.

I will share more when it becomes available.

John Jennings, Chairman

Detachment 50th Anniversary Convention Committee

Gentleman,

Just a reminder that American Legion National Commander Paul Dillard (TX), will be visiting the 16th District on Feb 3, 6 and 7th.

Please check with your Post Commander on times of the visits as the schedule has changed. It would be a good thing for the Sons to represent at our Legion Posts. Please put your best foot forward and make the Sons a proud asset of your Post. Unfortunately, I don't have his schedule for the 7th or 15th. Again, check with your Post Commander.

The Central Area is working hard on Membership and we still have a lot to work on, especially on zero squadrons. Communication is the key, and as your Commander, I still haven't received answers back from some regarding their issues. I can only help if you get back to me. Email me at [vccentral@floridasons.org](mailto:vccentral@floridasons.org) or call me at 727-515-7973. Please reach out, I am here to help you, take advantage of the support that is available.

That being said, I am very proud of the Central Area and its accomplishments, keep up the great work.

The Central Area Ball is March 19, at post 252, \$35.00 per person or \$ 65.00 a couple, 4 pm - 9 pm, menu is Hawaiian Chicken or Hawaiian BBQ pork, vegies, desert.

Squadron 275, Dunedin is hosting the Children and Youth Golf outing on March 5th. This year we are supporting Special Olympics. \$75.00 per golfer, Crescent Oaks golf course, Tarpon Springs, contact me for more info.

Thank You

Gerard Sambets

Greetings from the Eastern Area,

2021 was certainly an interesting year with many events influenced by Corona restrictions, we are looking forward to 2022. Some posts are still being cautious, but we see a general move to getting back to normal. Some events are moving forward that will enable us to restore funding to worthy causes, help our posts, and take care of veterans and our members.

Some national and statewide charitable organizations are coming back and if we can safely organize events to support them it will help demonstrate some of the purpose that we, as Sons of the American Legion hold dear. Child Welfare, Special Olympics, Fisher House all deserve and need our support. Closer to home many food pantries and critically low in supplies and volunteers needed to serve our communities. Each community has specific needs and issues that we can address.

Some Posts and Squadrons may be financially challenged but we can still gather some members to help them serve the needs each area may find critical. We are a service organization and helping the community, veterans, children, and the community are at the core of what many of us strive to contribute to.

Sometimes, taking the time to call a member, veteran, or neighbor in need can be just what that person needs to make it another day. You can make a difference and helping someone in distress can be rewarding for them and for you!

God Bless every member of our Armed Services and all Americans and we are looking forward to a brighter future!

Yours for God and Country,

George Worton,  
Eastern Area Commander

## HAVE YOU PAID YOUR DUES?

Each member has access to many benefits including the National Emergency Fund if a natural disaster should occur. However, your dues have to be current at the National Organization for you to be eligible for this and many other benefits.

Remember, your dues also help support Squadron Programs, the Child Welfare Foundation, National Emergency Fund, Operation Comfort Warriors, Fisher House and many more.

Without your support we cannot continue to support the great programs of the American Legion Family. Please follow up with your Squadron Membership Chairman to pay your dues and ensure they are transmitted for the current year.
