Dear Adjutant Sheubrooks,

We write this letter to proclaim our strongest endorsement of Mr. Paul J. Stawicki for election to the office of 9th District Commander of the Florida Sons of the American legion!

Mr. Stawicki is superbly qualified by experience and training for this venerable office, which he has held previously for several years. In addition to holding the District 9 Commandership previously, he has served multiple times as the Squadron 142 Commander, District 9 Vice-Commander, and more recently as Southern Area Commander.

He is presently serving the S.A.L. in multiple capacities as Squadron 142 1st Vice-Commander, District 9 Vice-Commander, and Chairman of Squadron Activities for the

Detachment of Florida.

Mr. Stawicki has ceaselessly assisted Posts and with District and Area activities and events whenever needed and tirelessly volunteers his time for all.

Our joint assessment is that Mr. Stawicki has, and continues to be, the selfless, committed, and dedicated officer and member so vitally needed to ensure the strength and growth of the Florida Sons of the American Legion. He is unequivocally the leading candidate for this most important office of District 9 Commander and has our highest endorsement for his candidacy!

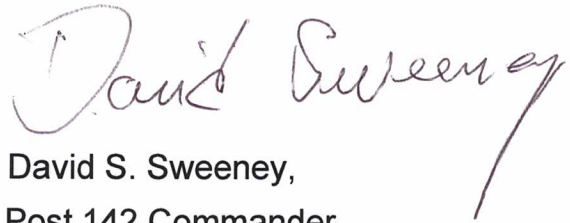

Fraternally,

Earl D. Fraley, PhD,
