Mr. Sheubrooks, et al.,

On February 14, 2022, at a regularly convened meeting of Squadron 258, Greenacres, FL, the membership voted and unanimously approved to endorse Michael Mathias for the position of Commander for the 11th District, Sons of the American Legion, and he has graciously accepted.

Commander Mathias has proven himself to be a worthy leader and is consistently looking for new ways to serve our veterans and communities. He is very active in not just the SAL, but also the Riders and the Legion, and participates in events from Posts to Department.

Squadron 258 is looking forward to this next year and the direction Commander Mathias will lead us.

I am pleased to have the honor in officially nominating Commander Mathias at the 2022 11<sup>th</sup> District Constitutional Conference.

Respectfully,

Stanley R. Brown Jr.  
Vice Commander, District 11  
American Legion  
Judge Advocate, Squadron 258
