April 7, 2025

Christian Rapp, Adjutant  
Sons of the American Legion  
Detachment of Florida

On April 7, 2025, at a regularly scheduled meeting, the members of Squadron 164, Boynton Beach, FL, voted unanimously to endorse Michael Mathias for the position of Florida Detachment Vice Commander, Southern Area.

Commander Mathias has proven himself to be a skilled leader and is consistently looking for new ways to serve our veterans and communities. He is active not only in the Sons of the American Legion, but also in the American Legion, American Legion Riders, and supports the American Legion Auxiliary.

We look forward to the coming year and the direction Commander Mathias will lead us. His previous experience as a S.A.L Squadron Commander, a S.A.L District Commander, and the current S.A.L Detachment Vice Commander contributes to his current and future leadership in the Sons of the American Legion.
