At various times throughout the year, Detachment Headquarters requires Squadrons to submit certain information. This information is outlined in this section.

With the submission of the Squadron Information Report, newly elected Squadron Officers are placed on the Detachment Directory. This Directory is the basis for all mailings from Department. All officers should ensure that correct address and phone number information are on file. ***This form also allows Department to assign membership processing permissions to the Commander, 1st Vice Commander and Adjutant in the myLegion.org portal.***

This form should also be used if you have a change of officers during the year. Make sure to check the box before the officer information chart that says 'Check if updating officer information during the year'

SUBMITTING YOUR REPORTS – NEW!

All reports/forms found in this manual can be found on the Detachment website as computer fillable PDF forms. We now have new ways to submit your end-of-year reports, as well as your Squadron Information Reports, by using these forms.

If you save your reports on your computer after completing them, you can go to **reporting.floridasons.org** and use the page to submit each of your reports. They will be sent to the appropriate person assigned to them and the Detachment Adjutant will also receive a copy.

Additionally, the Detachment Adjutant will be giving each Squadron Commander and Adjutant access to the new Squadron Information Portal later in the year after SIRs are processed. This portal will give the squadron a place where they can manage their squadron's information and complete their reports online. Squadrons will be able to submit the reports online, without touching pen and paper.

Watch for more information on this later in the year.

This form must be completed and returned to DEPARTMENT immediately following your Squadron Elections.

COMMITTEE AND COMMISSION AWARDS

Various Committees and Commissions offer contests and awards recognizing participation and achievement within their respective programs. Below is a listing of those Committees/Commissions along with an overview of their contests and awards. Some awards begin at the Detachment level and may advance to the National level.

Several standing Committees and Commissions also maintain active programs that do not include official awards or contests. However, Squadrons are encouraged to submit activity reports through Detachment Headquarters, as these reports provide valuable information on the work and involvement of Squadrons throughout the Detachment.

AMERICANISM

The Americanism Commission is dedicated to promoting the true spirit of Americanism throughout the communities of our State. This should remain a major area of involvement for local SAL Squadrons. The needs of the community, along with the abilities and resources of local Squadrons, will determine the extent and type of programs conducted.

Over the years, the State Americanism Commission has promoted programs such as the placement of American Flags in schools, "Get Out and Vote" campaigns, and "Service to God and Country" programs. Squadrons and Districts are encouraged to report their Americanism activities to Detachment Headquarters using the forms provided in this manual. Please adhere to all submission deadlines listed on the forms. Awards are presented at the annual Detachment Convention for outstanding Squadron reporting.

CHILDREN & YOUTH

A resolution adopted at the October 1987 National Executive Committee meeting established support of the American Legion Child Welfare Foundation as an ongoing program of the Sons of The American Legion. Squadrons are encouraged to support this important program through fundraising and community involvement efforts.

Over the years, thousands of dollars have been raised in support of programs benefiting children and families, including organizations such as the Epilepsy Foundation, the Association for Birth Defect Children, and local abuse crisis centers. The Children & Youth Committee also promotes awareness and involvement in areas such as juvenile delinquency, child abuse, and child neglect.

Squadrons and Districts are urged to report their Children & Youth activities to the Detachment Adjutant. These reports help the Committee evaluate current programs and develop new initiatives that better serve both our organization and local communities.

COMMUNITY AFFAIRS

The National Community Affairs Committee conducts an annual Scrapbook Contest open to submissions from Squadrons. Contest rules are very specific, and all entries submitted for judging must strictly adhere to those rules. A copy of the official rules can be found at the end of this section.

As this contest is conducted at the National level for Squadrons, the Detachment has established its own judging process to determine the best Squadron entry to advance to National competition.

HISTORY CONTEST

The National Historian, in conjunction with the National Executive Committee and the National Convention, conducts an annual History Contest open to submissions from Squadrons. All submissions to this contest must adhere to the prescribed contest rules. They are self-explanatory. A copy of these rules can be found at the end of this section.

COMMITTEE AND COMMISSION AWARDS (cont'd)

MEMBERSHIP

There are several State and National membership awards available to Squadrons:

- 1) Honor Ribbons are presented to Squadrons who surpass their previous year's membership by July 1st each year.
- 2) Citation of Achievement Award-presented to Squadrons who, as of March 15th, meet or exceed their previous year's membership (December 31st total).

For the state awards, please refer to the Membership Section of this manual.

VA&R ANNUAL REPORT CONTEST

The National Veterans Affairs & Rehabilitation Commission conducts an annual report contest comparing submissions from Squadrons and Districts. A copy of the contest information can be found at the end of this section. The winning Florida entries for both Squadron and District will advance to National competition.

A standardized report form has been developed for use by Squadrons and Districts. While all reports should be submitted using this form, Squadrons are encouraged to include additional information that may assist in judging for the Squadron Rehabilitation Award.

Districts may use the standardized form as a guideline but may also develop their own reporting format. Reports should include as much information as possible regarding services provided, volunteer hours, and expenses. Since Rehabilitation focuses on service to veterans and their families, these areas form the basis of judging by the Commission.

VA & R VOLUNTEER OF THE YEAR

In 1993, approval was granted for Sons of The American Legion representatives to serve within VA Hospitals and Medical Centers. Many SAL members perform volunteer work within these facilities, often without recognition of their service through the SAL program. Members may apply to become certified SAL hospital representatives and work directly with the facility's Chief of Voluntary Services. To apply, members should request the appropriate form from the Detachment Adjutant and return the completed form for approval. General instructions and procedures are included on the reverse side of the form.

The Rehabilitation Volunteer of the Year Award, established in 1990, is presented annually at the National Convention. This award is based upon the judging of Rehabilitation reports submitted by Squadrons and Districts. Squadrons are encouraged to report outstanding volunteer service and assistance provided to veterans by individual members. Nominees must be submitted for judging at the Detachment Convention, with the winning entry forwarded to the National Adjutant for consideration at the National level.

ALL REPORTS ARE DUE TO THE DETACHMENT ADJUTANT BY MAY 15, 2027

SUBMITTING YOUR REPORTS – NEW!

All reports/forms found in this manual can be found on the Detachment website as computer fillable PDF forms. We now have new ways to submit your end-of-year reports, as well as your Squadron Information Reports, by using these forms.

If you save your reports on your computer after completing them, you can go to reporting.floridasons.org and use the page to submit each or your reports. They will be sent to the appropriate person assigned to them and the Detachment Adjutant will also receive a copy.
